Approval Certificate

No. 30386

Company	**BECA GRAFIC, S.A.**
Washing agent	**Allclean 3**

The above mentioned product was tested by Fogra according to the following evaluation criteria specified by Heidelberger Druckmaschinen AG:

- Compatibility with wash-up, plate dampening and inking rollers, printing plates and blankets, hoses, seals and press materials which are in direct contact with the detergent.
- Miscibility with water and hydrocarbons.
- Residues after evaporation.

This test certificate is valid for sheet-fed machines of the Speedmaster series produced in 1995 or later that are equipped for alternating print operations with UV and conventional printing inks. It is only valid for the chemical composition which was presented to Fogra on the date of order.

The product is not to be used on printing presses that are equipped for print operations in which only UV printing inks can be used.

The legally binding approval of the above mentioned product is given electronically and its up-to-date version is available in the form of the approval list on Fogra's website (www.fogra.org).

Note: Consider and comply with the country-specific legal regulations regarding the handling of the ingredients mentioned in the safety data sheet (e.g. Butylglycol, CAS 111-76-2) when distributing the product.

Validity The approval certificate expires on 9th October 2030
